Hey Gary,

The TDD doesn't have any address info. Please let me know when you have it added. Thanks!

Will:

I just sent you a TDD for Nick. It is currently under my name but need to be changed to Nick Brescia. My route was not correct so you may need to modify that. I have now changed it on my EAS profile to remove Mike and add Brian. We need 20K on the TDD. The information is written on the top of Description of Activities. Let me know if I need to do anything else.

Thanks
